# CHAPEL HILL HIGH SCHOOL

Douglasville, Georgia

Thursday, May 27, 2021, 8:00 PM

Dear Graduates, Parents and Partners:

*On behalf of the Douglas County School System and the faculty and staff of Chapel Hill High School, I extend a heartfelt congratulations to each of our graduates on this momentous accomplishment in your young lives. What makes us even more proud is that we know that this is only the beginning of many more milestones in your life. Our hope is that you will take with you the lessons you have learned at CHHS, inside and outside of the classroom, and continue to grow into successful global citizens.*

*To our parents, we thank you for entrusting us with the care and education of your child. Your support and encouragement have been invaluable to our students and to our staff. We could not do the job we do every day without your partnership. You have sent us your most prized possession and allowed us to share our gifts and talents with them in a way that we hope will leave lasting, positive memories of what they learned at Chapel Hill High School.*

*To our business partners, mentors and community members, we thank you for your support of all of the elements of our total school program that transforms these high school students into the distinguished young men and women who will soon be contributing to our local and global community. Your support has been an investment that will be repaid tenfold as these young scholars pay it forward with their service, influence and creativity.*

*Once again, congratulations to all of our graduates and thank you for making Chapel Hill High School the school where Every Panther Is Prepared to Pursue a Positive Purpose!*

Sincerely,

Nicole Watson  
Principal

## Dear Class of 2021 Graduates, Family and Friends:

*On behalf of Douglas County School System teachers, administrators, and our Board of Education, I welcome each of you to the commencement ceremony for the Class of 2021. Graduation is the most exciting time in the life of a school system. The teachers, administrators and Board of Education members join you in celebrating the success of the Class of 2021. Together, we celebrate the commitment we have made to setting high expectations for students. This commitment has fully prepared our graduates with the tools they need to achieve a powerful future.*

*Graduates, we hope that during your education you embraced being part of an educational community that cares deeply about you. This community shares an unwavering commitment and passion for inspiring greatness in every student. Whether you plan to go to college, technical school, the military, or straight into the workforce, your teachers have taught and instilled values that will help you forge your own pathway to success.*

*There are many traditions that make the last two years of high school special that you have missed, but you have grown stronger during this trying season, even if you do not know it yet. It may be little comfort for you today, but years from now, you will reflect on your last years of high school and have quite a story to tell of living through a global health crisis. The coronavirus pandemic is world history that you are living through – but it is also simply a season in your life, and seasons change. This season is one of many comprising your high school career, with all of them preparing you for adulthood. As you enter adulthood, I wish you happiness, good health and success.*

*Parents and families, thank you for entrusting your children in our care. Our educational community is dedicated to preparing students for success, but it takes a partnership. Your support of our efforts helps us better serve students and prepare them for a successful future. My hope is that together we have produced young adults who will lead and serve with honesty, integrity, respect and compassion.*

*Thank you for joining us as we celebrate the Class of 2021!*

*Congratulations, graduates!*

Sincerely,

Trent North  
Superintendent

*Congratulations*
