

The Academy at the CCI Class of 2020 Frequently Asked Questions

Hello Seniors and Parents:

As we continue to navigate these unprecedented times, the uncertainty of the upcoming months has left us all with many questions and few answers. Please know that we, as a school and system, are working diligently to try to provide as much information and routine as possible. We know that your senior events and rites of passage are important to you and your family, and we look forward to celebrating these events each year with each of our senior classes. However, this year has been like no other. As I provide answers to your most frequently asked questions, please understand that much of how we move forward will depend on the progression of COVID-19 and the guidance we receive from our federal, state and local leaders and healthcare advisors. We will always consider the health and safety of our students and staff above all other matters.
